

## ComCorp enters strategic partnership with Seoeng

Story posted: October 27, 2008 - 1:16 pm EDT

Delray Beach, Fla.—Search engine marketing company ComCorp announced a partnership with search engine company Seoeng, based in Atlanta, to provide free search engine optimization analysis to ComCorp clients.

The enhanced solution provides users with feedback on how they can improve their Web site ranking for keyword searches, maximizing search engine visibility with high placement and positioning. The Seoeng capabilities calculate and display errors, show where they are located and provide suggestions on how to fix them, the companies said.
